

Dear Parents,

Warm greetings from Viswajyothi!

The new academic year 2024-25 has started and now we are to get ready for making it in full swing by giving equal importance to the co-curricular subjects. **ROLLER SKATING** is part of AMDI for Classes I to V and will be conducted during AMDI periods.

From Classes **VI to VIII**, skating is not available during the regular working hours and it will be only **on Wednesdays**, in the evening, after the school hours. If students like to join Roller skating, they will have to stay back on Wednesdays from **3.30 pm to 5 pm**.

Students of Class VI who have taken skating up to Class V as part of AMDI should choose one of the **AMDI subjects** like *Drawing and Painting, Vocal Music (Carnatic), Classical Dance, Key Board, Guitar and Tabla*. This is to facilitate the students of Grade VI to perform for **ARANGETTAM** when they reach in Grade IX.

Class VI students should give their option before **07.06.2024**.

Join as per your talent and interest.

Ms. Reena Rajesh
