Headmistress's Desk

Dear Parents,

Greetings from our kindergarten! We are absolutely thrilled to share the wonderful experiences our little ones had during the month of July.

Our eager learners delved into academics, discovering the wonders of numbers, letters, and the world around them. Additionally, it was a time of artistic exploration and expression, where their creativity bloomed through painting, drawing, and crafts.

The observance of special days brought endless smiles and valuable lessons. Each occasion was an opportunity for our little ones to learn, grow, and build memories.

Moreover, this month marked the exciting start of swimming lessons. The splashes of excitement and the sounds of laughter filled our pool area as they embraced this new adventure.

As we prepare for the upcoming celebrations, our hallways resonate with music and joy. We can't wait to share these wonderful moments with you all.

Thank you for your continued support and trust in our kindergarten.

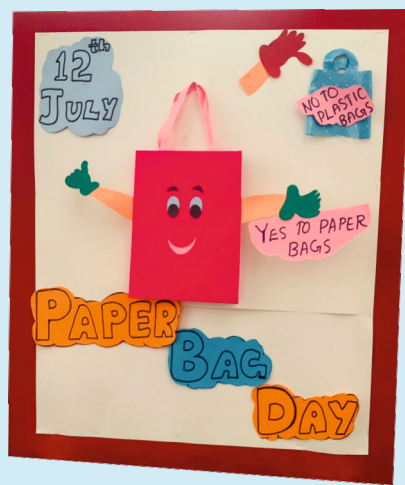

Best regards,
Sajani Susan Philip
