Dear Parents and Students,

October is recognized nationwide as the month of cleanliness in honor of Gandhi Jayanthi.

On the occasion of Gandhi Jayanthi, we honor the life and teachings of Mahatma Gandhi, a leader who believed that true change begins with each of us. When we come together to volunteer in cleaning our surroundings, we are not only paying tribute to his legacy but also embracing one of his core principles: "Cleanliness is next to godliness." By taking any cleaning initiative, you are contributing to a healthier, cleaner environment and inspiring others to follow your lead. Remember children, small actions create big changes. Just as Gandhi transformed a nation with his unwavering commitment, you too have the power to make a difference. Let any act of service be a reminder that cleanliness is not just about physical spaces, but also about purity of heart, mind, and soul. Together, we can create a brighter, cleaner future. **"Start where you are. Use what you have. Do what you can"** - Arthur Ashe. This emphasizes making the best of your current situation, leveraging available resources, and doing your best with what you have. Keep up all your great work!
