Dear Parents,

Greetings! The month of September was truly special, filled with memorable moments and celebrations, including a detailed skill-based evaluation of the children, which provided us with valuable insights into their progress. A heartfelt thank you to the PTA for making Teachers' Day a delightful and unforgettable experience!

As we embark on this new term, we are excited about the journey ahead. The second term is always bustling with activities and events. This is the time when our class assemblies, Annual Day, and various inter-school competitions take place, offering our children wonderful opportunities to showcase their talents and grow through participation.

Additionally, we've planned field trips for the children, giving them a chance to explore and learn beyond the classroom. To further extend these learning opportunities, we encourage you to let your children embrace natural play outdoors—whether it's a simple walk in a local park, a nature reserve, or even around your neighborhood. These shared experiences not only provide meaningful interaction between you and your child but also spark their curiosity, leading to improved learning outcomes.

Together, let us continue to nurture and inspire our children.

## Inspiring minds, shaping futures! Happy Teachers' Day!

Teachers' Day was a wonderful occasion to celebrate and appreciate our amazing team of teachers. Thanks to the PTA, who made the day truly memorable with heartfelt wishes and wonderful performances.

## Onam: A beautiful blend of tradition and togetherness!

In light of the recent Wayanad tragedy, we chose to keep our Onam celebration simple this year. Our focus was on educating the children about the rich traditions and vibrant festivities of Kerala.

## Cheers to MUDITA Participants!

Our children participated in MUDITA, the interschool competition hosted by Sacred Heart CMI Public School! We take immense pride not only in our winners but in every participant who gave their best and showcased remarkable enthusiasm.
